Human Resources Consultancy Service

With generalist experience across a range of industry and sectors, our specialists offer best practice solutions with a pragmatic and objective approach.

Human Resources Consultancy Service can provide a full support to your organisation and provide you with tailored service to meet your individual needs. We pride ourselves in giving organisations what they specifically require; freeing up management time, managing risks associated with employment law and providing a best practice Human Resources service to your organisation.

We can help, advise and assist on a range of day-to-day employment issues;

- **Designing and delivering induction programmes, performance appraisal schemes**
- **Human Resources policies and procedures - e.g. disciplinary, absence**
- **Employee issues - e.g. managing absence, managing performance**
- **Recruitment - from advertising to induction**
- **Human Resources planning - making the best use of your human resource**
- **Training and development**
- **Employment Law - e.g. working time regulations, discrimination, maternity leave**

We provide responsive and practical advice and training to Human Resources departments and can act as an outsourced function to smaller companies who do not have their own in-house Human Resources department.

We can provide Human Resources consultancy service on a half day, daily or project management basis.
